(b) I beg to point out that it would be an unusual and unsatisfactory arrangement to gazette another officer to the charge of the Mysore Jail every time the Surgeon of Mysore who is in charge goes out on tour. Under this arrangement there will be discontinuity of administration & division of responsibility. Throughout British India the Civil Surgeons of Districts are also in charge of District Jails but officiating arrangements are not made when they go out on tour. There is a Jailor & also a Sub Asst Surgeon in the Mysore Jail and the Surgeon may continue to be responsible for the jail even when away on tour. If however the conditions of the Mysore Jail are such that the continuous presence of a Surgeon on the spot is absolutely necessary then it would be much better to appoint to the charge one of the medical officers attached to the General Hospital Mysore who has no touring duties.

Subject:- Representation of Mr. D.S. Puttanna, Assistant Surgeon, that he may be allowed to draw the monthly allowance of Rs.100/- attached to the office of th Ex-officio Superintendent of the Mysore District Jail during the absence of the latter on tour.

With his letter of the 11th December 1917, the Inspecto neral of Prisons forwards an application from Mr. D.S.Puttan sistant Surgeon, bringing to notice that he has been doing the duties of the Superintendent and Medical Officer of the My sore Jail, whenever the permanent Superintendent goes on tour and/that he may be permitted to draw the allowance attached tc requesting the office. The Inspector-General thinks that the representation is reasonable considering the additional work devolving thereby on Mr. Puttanna and recommends that any officer posted for duty in the Mysore Jail may be permitted to draw the allow ance for the number of days he actually holds charge thereof.

34 The Financial Secretary is of opinion that it would be an unusual and unsatisfactory arrangement to gazette another officer to the charge of the Mysore Jail every time the Surgec goes out on tour and that under the proposed arrangement there would be discontinuity of administration and division of responsibility and adds that if, however, the conditions of the Mysore Jail are such that the continuous presence of a Superintendent on the spot is absolutely necessary, it would be muc better to appoint to the charge one of the medical officers attached to the General Hospital who has no touring duties.

SIR,

In forwarding herewith an application in original from - Mr. D.S.Puttanna, Asst. Surgeon, General Hospital, Mysore, I - have the honor to bring to your notice that the applicant has been doing the duties of the Superintendent and Medical officer of the Mysore Jail, whenever the permanent Superintendent has gone on tour in the District. The representation made by Mr. Puttanna to the effect that he should be allowed to draw the local allowance pertaining to the Superintendence of the Jail for the number of days he has worked, is reasonable, considering the additional work devolved upon him in the discharge of -- duties both as Superintendent and Medical Officer of the said Institution. Para 2 of article 20 of the Mysore Service Regulations allows that a local allowance may be drawn by the officer who is actually present on duty.

2. Under the circumstances, I request that sanction of Government may kindly be obtained and communicated to me for allowing any officer that may, from time to time, be posted for duty in the Mysore Jail to draw the local allowance for the

(Through the Medical Officer in charge of the
General Hospital, Mysore).

Sir,

The District Medical Officer of the Mysore District, who is ex officio Superintendent of the Mysore Jail, is an itinerary officer and has occasional touring work in the District. During his absence on tour in the District, the work of the Jail requires the deputation of another officer in his place and it is usual for the Medical Officer of the General Hospital, Mysore, whenever the District Medical Officer gives notice of his intention to go on tour, to depute one of the Assistant Surgeons on the staff of the Hospital to look after the Medical Officer's work in the Jail in addition to his own duties at the Hospital. The choice is falling on me during the past three months and it is my experience within this period that the duties of the Jail throw a considerable amount of additional responsibility on the officer deputed to look after the same. The reports I submitted to you a few days ago about the sudden death of a convict in the Mysore Jail will, I am sure, have given you an adequate idea of the amount of additional work and responsibility that is thrown

on the officer deputed for the time being to look after the duties of the Jail temporarily.

It appears somewhat anomalous that the District Medical Officer should draw the Local Allowance pertaining to the Superintendence of the Jail even for the days he is absent on tour, while his locum tenens who actually bears the burden of the work should be denied any remuneration for the work thrown on him in addition to his legitimate duties, in spite of the fact that he is actually put to some expense in arranging for a conveyance in connection with his combined duties at the Jail and the General Hospital.

Article 20 (b) of the Mysore Service Regulations is to the effect that a Local Allowance is paid in full to the officer actually present on duty; and I understand the practice in Madras Jails under similar circumstances is that, when an officer whose duties are of an itinerant nature and who is in receipt of a Local Allowance goes on tour, the officer who is posted to look after his duties during his absence will be paid proportional local allowance for the days on which he so looks after his duties.

In these circumstances, I beg that favourable orders may kindly be passed allowing me (or any other officer that may from time to time be posted for duty in the Mysore

Jail) to draw a pro-rata allowance for the period of duty at the Jail. I shall esteem it a favour if you will be pleased to pass very early orders in the matter as the District Medical Officer is expected to go on tour very soo for a period of ten days or so in connection with the ensuing Kheddah arrangements in the Chamarajanagar Taluk.
